MELBOURNE MURALS

Rone is an internationally renowned street artist from Melbourne and we loved his work so much, that we flew him in specially to create these beautiful, bespoke murals for us.

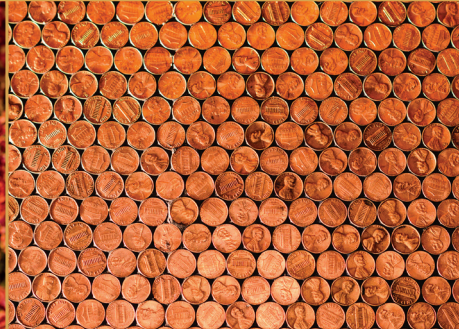

FRENCH RAILWAY

Walking on history! The wooden flooring in our Conservatory Restaurant is 125 years old and made from carriages that used to transport the troops from Leal in France during the First and Second World War.

VINTAGE CHANDELIER

Each of our chandeliers are between 80 and 120 years old and are sourced from homes in St Petersburg, Paris, Vienna and Milan. We even have two that were sourced and restored from a Spanish Galleon!

AMERICAN COINS

Penny for your thoughts? We love classic American bars and have an entire floor made of over 100,000 American cents. Look down... you might be standing on Abraham Lincoln!
